

MAS2011 PROJECT PLAN & PROPOSAL

Lim Qi Qing
G20230257

INTRODUCTION

Game Intro:

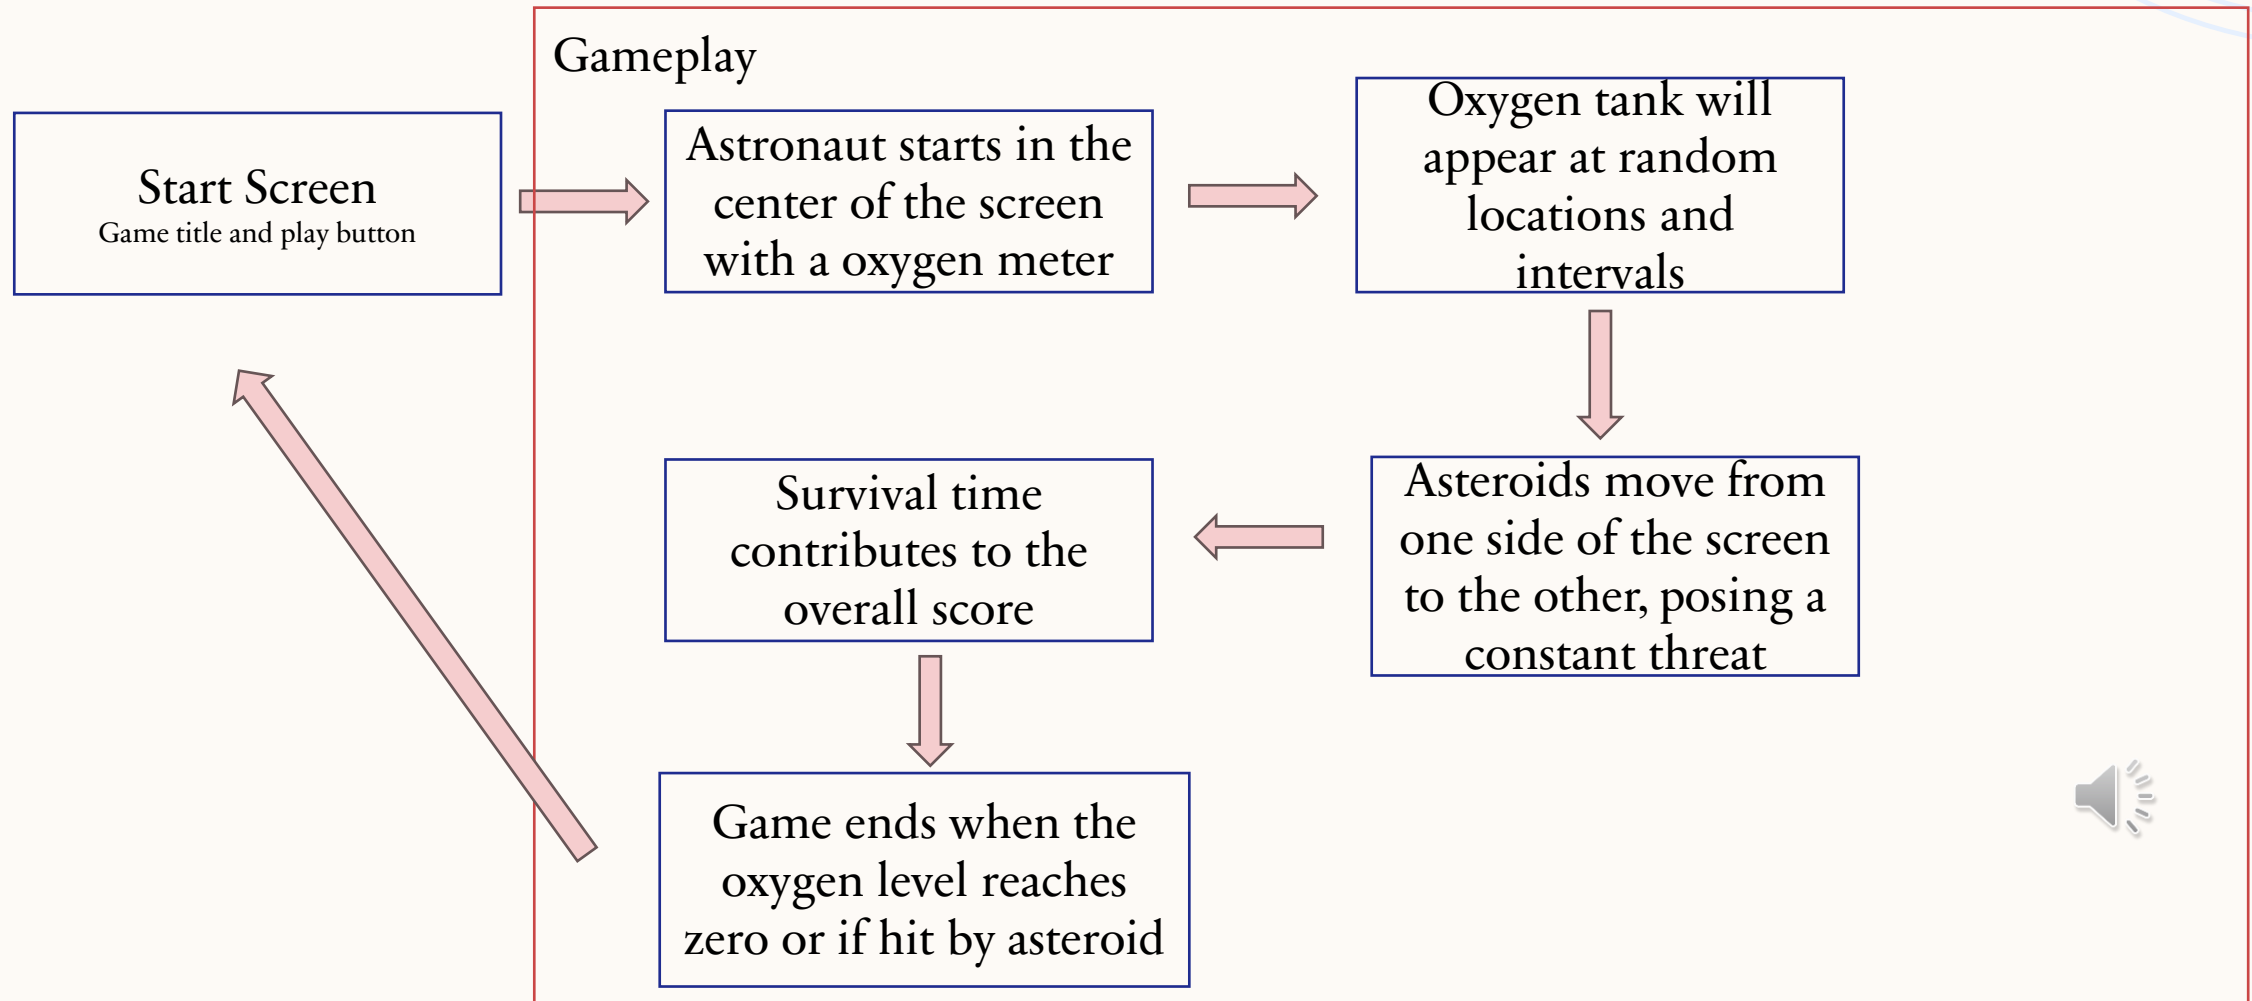

Players take on the role of an astronaut stranded in space with a depleting oxygen supply. The mission is to navigate through the cosmic challenges, collect oxygen tanks, and avoid deadly asteroids to survive as long as possible.

Style:

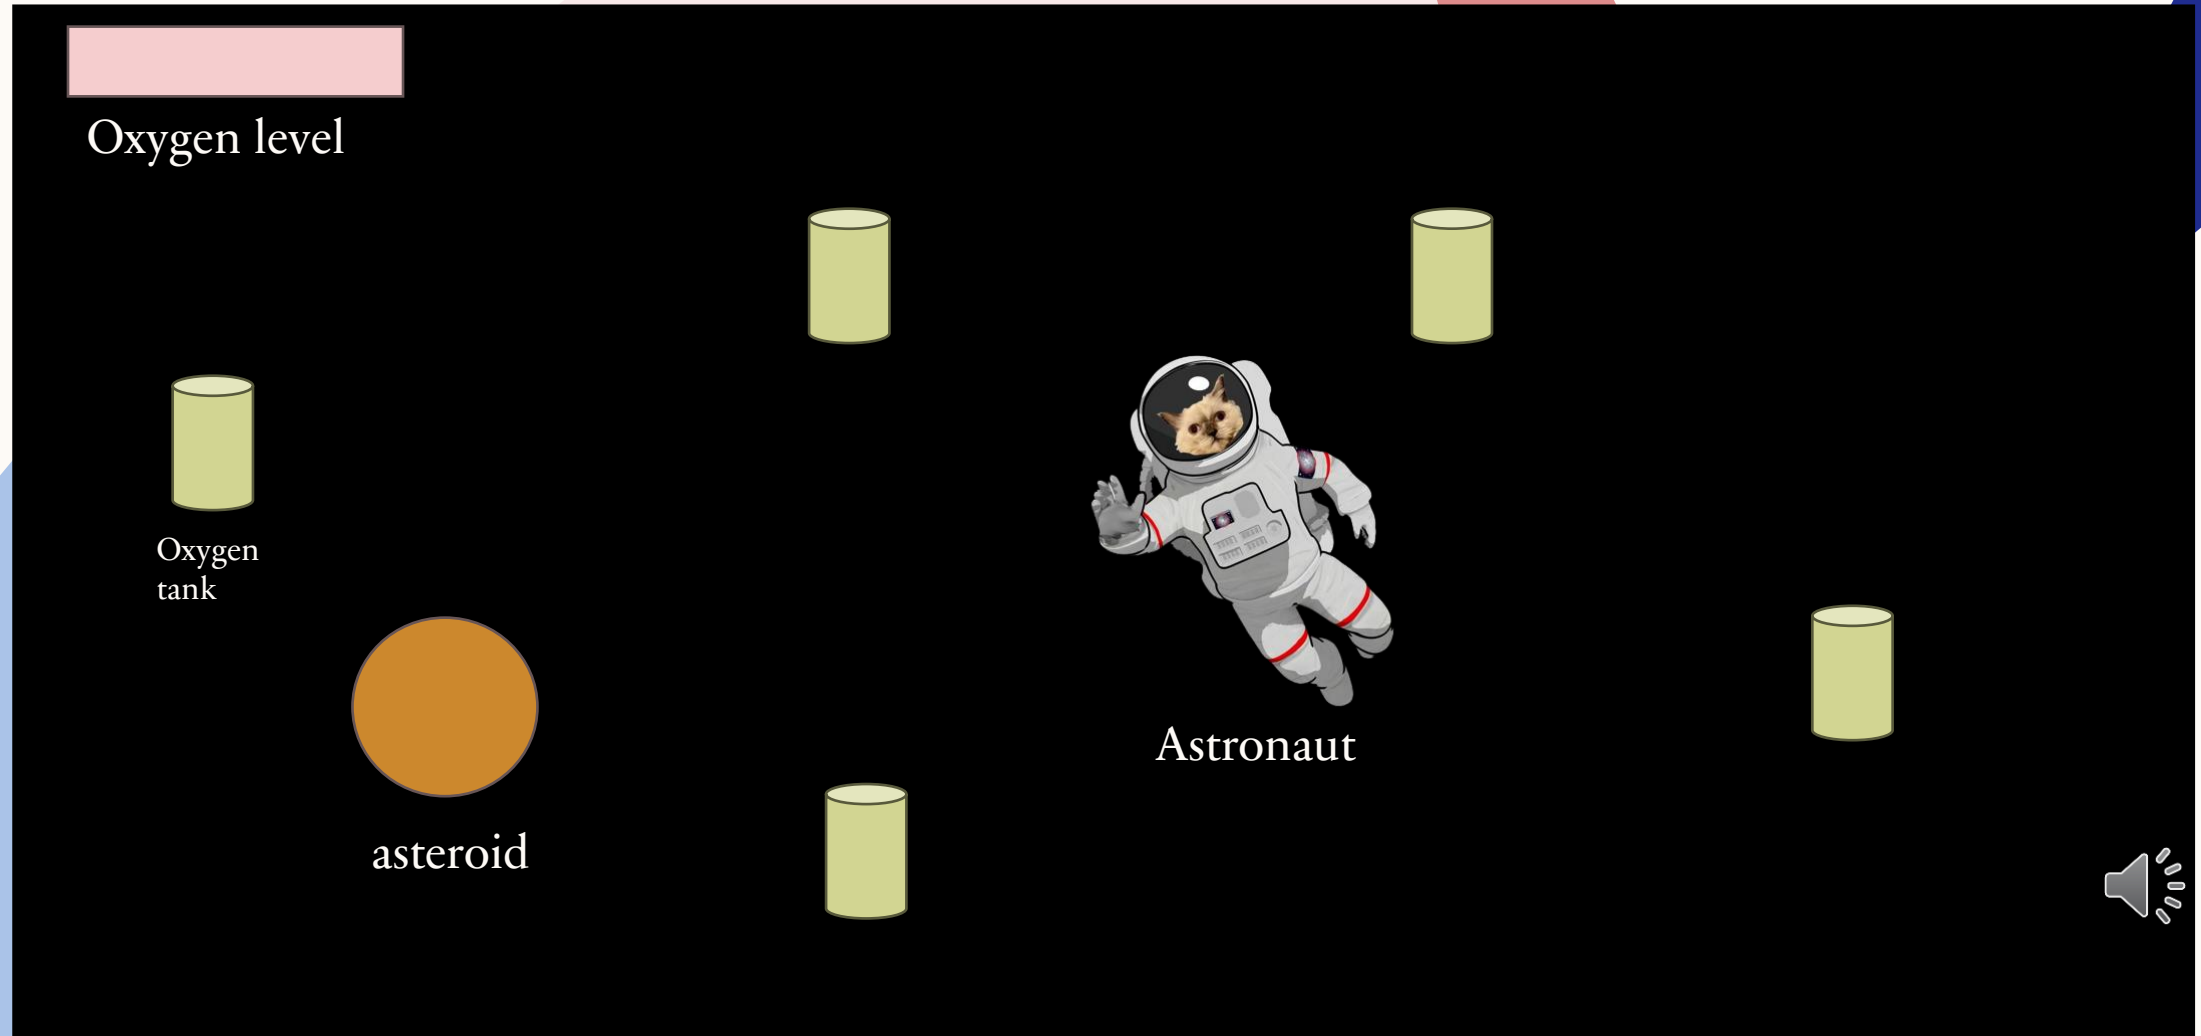

- Cartoonish 2D style
- Vibrant and saturated colors commonly found in cartoons
- Playful sound effects

GAME SEQUENCE
